Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC MR
- Model Number: HBY-Cistanches Extract
- Minimum Order Quantity: 1 kg
- Price: negotiable
- Packaging Details: 10kg/box
- Delivery Time: 3~5 days, upon receipt of payment
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 5,000 kg

Product Specification

- Name: Herbal Cistanches Extract
- English Name Herbal Cistanches Extract Latin Name: Cistanche Tubulosa Schenk Wight
- Raw Material Aliases: Da Yun (Dan Da Yun), Cun Yun, Cong Rong (Tian Cong Rong, Dan Cong Rong), Di Jing, Cha Gan Gao Ya
- Specifications: Ratio 10:1, 20:1, 30:1, Echinacoside 25% Min And Acteoside 9% Min
- Appearance/Color: Brown To Brownish Yellow Powder
- Solubility: Water Soluble
- Highlight: **Herbal Cistanches Extract, Cistanches Natural Plant Extracts, Brown powder Cistanches Extract**

Product Description

Herbal Cistanches Extract is a supplement derived from the Cistanche plant, a parasitic shrub that grows in deserts around the world, particularly in China and the Middle East. It is nicknamed "desert ginseng" due to its adaptogenic properties, which are believed to help the body resist stress and fatigue.

Traditional Chinese medicine has used Cistanche for centuries to treat a variety of ailments, including kidney problems, infertility, and sex-ual dysfunction. Modern research is investigating the potential of Cistanche extract for improving cognitive function, boosting immunity, and reducing inflammation.

Basic Information of Cistanches Extract

| | |
|----------------------|---|
| English Name | Herbal Cistanches Extract |
| Latin Name | Cistanche tubulosa (Schenk) Wight |
| Raw Material Aliases | Da Yun (Dan Da Yun), Cun Yun, Cong Rong (Tian Cong Rong, Dan Cong Rong), Di Jing, Cha Gan Gao Ya |
| Product Source | |
| Chemical Composition | The fleshy stems contain Cistanche glycosides A, B, C, and H, ergosterol, 2-acetyl-acteoside (2-acetyllacteoside), at seven kinds of phenylethanol glycoside components. Functions:

- Boosting kidney function
- Enhancing memory and learning
- Improving immunity
- Reducing inflammation
- Promoting longevity

Potential benefits:

Here are some of the purported benefits of Herbal Cistanches Extract:

Improved cognitive function: Some studies suggest that Cistanche extract may improve memory and learning by increasing nerve growth factors in the brain.

Enhanced athletic performance: Cistanche extract is sometimes used by athletes to improve endurance and reduce fatigue. However, more research is needed to confirm these effects.

Boosted immunity: Cistanche extract may help to strengthen the immune system and protect against illness.

Reduced inflammation: Cistanche extract has anti-inflammatory properties that may be helpful for conditions like arthritis and inflammatory bowel disease.

Improved kidney function: Cistanche extract is traditionally used in China to support kidney health.
